

PORCELANOSA FACADE/

Nordstrom
Century City

Nordstrom Century City

Los Angeles, CA

Located in Westfield Century City in Los Angeles, California, this Nordstrom features a new ventilated façade using Porcelanosa's porcelain panels. This Nordstrom is a 154,000 square foot, three level store with exclusive merchandising concepts and mini-stores, makeup studio, drop-in Style Bar, and a full-service restaurant and bar. The design was rolled out in 2017 during Nordstrom's initiative to rebrand their stores with architects CallisonRTKL.
